

Property Information Report or Waiver of Property Information Report

(Required for Sale of Property located in the City of Gardena)

Fee: \$337.00 – exterior-only inspection \$440.00 – exterior and interior inspection

Pursuant to Chapter 15.40 of Title 15 of the Gardena Municipal Code, (GMC) the seller and/or licensed real estate broker is required to obtain a property information report and deliver the report to the buyer no later than 15 days prior to the consummation of the sale or exchange of the property. The buyer or transferee must sign the report and return it to the Building & Safety Division as evidence of compliance with this chapter.

Property Information Reports provide you with important information on the status of the property and structures and restrictions applicable to the property, based upon a review of city records and an exterior inspection. The report will identify all permits issued for the property, zoning and other restrictions, and the results of an exterior inspection of the premises (Upon request an interior inspection may be conducted). Prior authorization is required from the seller and/or agent to conduct interior inspections. (If interior inspection is applied for within 6 months of the original exterior-only inspection, an \$82.00 (hourly) re-inspection fee will be charged.)

Inspection pursuant to GMC Section 15.40.040 does not constitute a warranty or guarantee by the City that violations other than those disclosed do not exist. Inspection shall not stop the City from taking all appropriate actions necessary should a violation subsequently be discovered. The City assumes no liability for failing to discover a violation, and for failing to report the same. (Ord. 1474 § 3 (part), 1994
