COLORED ARCHITECTURAL/ARTIST RENDERINGS

The architectural renderings must accurately depict the proposed development upon completion and provide details sufficient to allow the Planning and Environmental Quality Commission and the City Council to evaluate the aesthetic and architectural appearance of the proposed development and its relationship to adjacent property. Architectural renderings must meet the following requirements:

1. Drawings must be three-dimensional, watercolor or airbrushed. Prisma-colored drawings will not be accepted.
2. One display copy is required, enlarged 30" x 36" (minimum size) and mounted on foam board and 30 8-1/2" x 11" colored photocopies of the rendering
3. The color, design, style, and architectural features depicted must accurately reflect the building(s), landscaping, and other physical features of the project site and adjacent properties.
4. Buildings, landscaping, or other details on adjacent properties must be included and reflect actual conditions at the time the project is being considered.
5. Features depicted on the rendering must be consistent with the proposed site plan, elevations, landscaping, and floor plans.
6. A color board of exterior materials will be required for major renovations and new buildings.

ENVIRONMENTAL ASSESSMENT

Environmental Assessment is performed pursuant to the California Environmental Quality Act and the City of Gardena Municipal Code. The Environmental Assessment application is intended to provide the Environmental Quality Officer with the basic information to determine the appropriate environmental documentation for the project. If it is determined that a project/action will not have a significant adverse impact on the environment, a Negative Declaration will be prepared. If it is determined that a project may/will have a significant impact on the environment, but the impacts could be mitigated, a Mitigated Negative Declaration will be prepared. If the impacts cannot be mitigated, an Environmental Impact Report (EIR) will be prepared. The preparation of the Negative Declaration, Mitigated Negative Declaration, or EIR and/or any required technical studies required to evaluate impacts will be prepared at the applicant's expense. A deposit equal to the estimated cost to prepare such documents or studies shall be made prior to initiating work.

RADIUS MAP AND PROPERTY OWNER/OCCUPANT LIST INSTRUCTIONS

REQUIRED SUBMITTALS

A Notice of Public Hearing is required to be sent to all property owners and occupants within a radius of 300 feet from a project site. The notice is mailed in advance of the public hearing by the Community Development Department. The applicant has the option of either personally preparing the radius map or engaging the services of a consultant. A list of consultants who prepare radius maps and addresses/labels are available through the Community Development Department. You may also contact the Los Angeles County Assessor's office located at 1401 E. Willow Street, Signal Hill, CA 90755, (562) 256-1701.

The notification materials to be submitted by the applicant include the following:

1. **Radius map** (8½" x 11" size) showing the project site and all lots within a radius of 300 feet from the project site, including the street names, addresses, zoning, and lot dimensions.
2. **Original address labels** (two sets, 8½" x 11" size). Labels shall include the name and address (including condominium/apartment/unit/suite number or letter) of all property owners, occupants/tenants, and businesses located within 300 feet of the project site, as well as the name and address of the applicant(s), his/her representative, and any other person(s) the applicant wishes to be notified of the public hearing.
3. **Photocopy** of address label sheets referenced above (one set).
4. **Certified Affidavit** of property owners/occupants/tenants/businesses list as specified above.

HOW TO PREPEARE A RADIUS MAP (See attached sample)

1. Obtain a map of the area (scale 1" = 100') from an approved source to be used as the base map for the radius map.
2. Indicate the project site by highlighting the lot(s) on the map.
3. Draw a radius that is 300' from the exterior boundaries of project site lot(s).
4. Indicate zoning and street addresses for all lots within 300' radius.

HOW TO PREPARE ADDRESS LABELS

1. Secure the required Assessor's Maps covering the affected property and all lots within 300' thereof. Using the Assessor's property owner roll, turn to the correct map book number, then page number, and then parcel number for all parcels within the 300' radius. The name and address of the property owner is shown in the left-hand column. If the mailing address of the property owner is different from the property owner sites address, use the mailing address which appears in the far right-hand column.
2. Obtain the unit or suite number for all condominiums, apartment units, and businesses within 300 feet of the project site from field survey or through other available resources.
3. Using self-sticking 8½" x 11" address label sheets, type (capital letters and no punctuation marks) in the appropriate spaces the property owner's name and mailing address, the address for each condominium and apartment unit number addressed as "Occupant," and the name and address of each business. Assessor's Parcel Number need not be on label.
