REOPENING GUIDELINES FOR MAY 8, 2020

Following LA County, Gardena’s Reopening Guidelines will be broken down into five stages. We will be transitioning from Stage 1 into the first phase of Stage 2 on Friday, May 8, 2020, allowing low-risk businesses to open under specific conditions.

Retail stores like florists, toy stores, bookstores, clothing stores, music stores and sporting good stores can provide curbside pick-up services and car dealership showrooms can open with physical distancing and sanitation protocols in place.

We will also be reopening the open spaces and walking trails at our parks for activities such as walking and running only. Please be advised that playgrounds, skateparks and sports courts will remain closed at this time. To view the Official Regulation, please visit our website.

The primary goal of Gardena’s gradual reopening plan is to minimize the risk of transmission of COVID-19 and prevent a potential resurgence. Once finalized, the Reopening Guidelines will be made available on our website.

I would like to remind everyone that COVID-19 is still a threat to our community. As you begin to slowly reopen your businesses and go out in public, please ensure that you are practicing the protective actions throughout all stages.

Sincerely,

Clint Osorio
City Manager
